

## **Musicfully Musical Theater Janney+ Winter 2025**

Dear Parents,

Welcome to Musicfully Musical Theater Winter 2025. We are so excited to be working with your child(ren) this semester! Below you'll find some information that will help us run as smoothly and successfully as possible. Thanks so much for taking the time to read and please let us know if you have any questions.

Each student will be given a script. Please make sure to have your student bring their script to each class.

We have created a website for all of the information that you and our students will need for the program. You can find it at <https://www.musicfully.com/janney-winter-25/> or by scanning the appropriate QR code below.

At the bottom of this document, and on our website, are links to the spotify playlist so that students can familiarize themselves with the music and practice at home. Please have your child start listening to the songs we will be working on. For easy access, you can scan the QR code below.

Each week, we will be sending students home with specific tasks to work on. Most often it will be reviewing what we worked on in class that day.

Students will be assigned dialogue and solos based on their comfort level. We ask that all students have their lines, solos, and group numbers **memorized by February 25th**. (We promise we'll help them make this achievable, we've got a whole section on memorization planned)

Working together with our faculty, students will brainstorm what they will use as a costume for our show. We ask that you please assist your child in finding the appropriate pieces. Most if not all costume pieces can be things that our students already have.

If you are interested in volunteering to help with our production, please send me an email at [support@musicfully.com](mailto:support@musicfully.com)

We would like to formally **invite you to our final performance** taking place on the last day of class on March 18th at 4pm. Please see our invite below.

Thank you and see you at the show!!

Best,  
Beth Ann Powers  
Director
